Acknowledgement of Country

Murrindindi Shire Council is proud to acknowledge the Taungurung and Wurundjeri Woi Wurrung people as the traditional owners of the land we now call Murrindindi Shire.

We pay our respects to First Nations leaders and elders, past, present and emerging, who are the keepers of history, traditions, knowledge and culture of this land.

We commit to working in collaboration with traditional owners of this land in a spirit of reconciliation and partnership.

1. Purpose

The purpose of Grants and Sponsorship Policy (Policy) is to enable the delivery of Council's Grants and Sponsorship Program.

Murrindindi Shire Council's Grants and Sponsorship Program supports Council's commitment to support events, activities and projects that align with Council's objectives outlined in the Murrindindi Shire Council Plan 2021-2025.

2. Rationale

The objectives of the Policy are to provide support to:

- improve opportunities for people to participate in the community
- grow the skills and capacity of businesses, social enterprises, not for profit community groups and organisations
- support social enterprises, businesses, not for profit community groups and organisations to deliver activities which benefit a diverse community
- develop and grow sustainable events and activities for our community and visitors
- foster a strong economy and prosperous community.

Grant Framework Principles

The Grants and Sponsorship Program operates on the following principles:

- Alignment with the Council Plan, 2030 Vision and other strategic plans - we have aligned grant and sponsorship streams with the Murrindindi Shire Council Plan strategic objectives as outlined below and other key strategic plans.
- Partnerships - we are committed to working collaboratively in the best interests of our community based on mutual respect and transparency.

We value the resources and skills that applicants bring to the partnership with Council. Applicants that contribute resources to the proposed activity are considered favourably. Resources can be in the form of cash, volunteer time, donated materials, other grant sources, and funds raised.

- Good governance - we commit to equitable and transparent decision making, and effective and efficient grant and sponsorship management processes.

Application and reporting requirements are proportionate to the size of the funds awarded and the expected outcome.

We support applicants to evaluate their activity in a way that helps them to continuously improve.

We evaluate the delivery of our grants and their impact in order to ensure relevance of and continuously improve the Program.

- Diversity and access - we encourage applications from all communities, not for profit community groups and organisations, social enterprises, businesses and individuals located in Murrindindi Shire.

Information on Council’s Grants and Sponsorship program is made available through Council’s website. Support and guidance for applicants who may require assistance to access and submit application forms is available through Council’s Community Wellbeing Department.

- Value for money - we seek to obtain the best mix of grants to meet the needs of the community and that maximise outcomes for the local government area. We support projects that represent good value for the amount requested.

We will, through effective and efficient management processes, minimise administration costs of this program.
