1. Purpose

Murrindindi Shire Council has established the Portfolio Councillor system. The purpose of this Policy is to articulate the role and support to be provided to Portfolio Councillors.

2. Rationale

With the appointment of Portfolio Councillors, it is desirable that the objectives of establishing these roles and the support that will be provided to Councillors is articulated.

3. Scope

This policy applies to Portfolio Councillors and Council officers who have a responsibility in ensuring that the Portfolio Councillor is kept informed on key matters relating to their area of portfolio responsibility.

Currently there are six portfolios covering the following areas:

- Land Use Planning
- Economic Development
- Corporate and Customer Services
- Community Services
- Natural Environment and Climate Change
- Infrastructure and Waste

Portfolio Councillors are appointed at the Special Meeting held in December each year. In order to enable Councillors to gain a broader experience of Portfolio roles, Councillors will generally not represent a portfolio for more than two years.

The role of the Portfolio Councillor recognises that the day to day management and direction of staff in implementing Council policy and strategy remains the responsibility of the relevant General Manager. Good governance identifies that the authority of councillors can only be exercised when they meet formally as Council at a properly constituted Council meeting. Outside the Council meeting, individual councillors have no authority.
